

Parent Information for Home Support in Mathematics

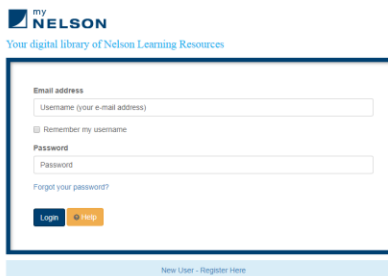

Mathies: www.mathies.ca - Amazing site with learning tools, games, activities and a huge collection of resources to support teachers, students and parents with teaching and learning of mathematics.

TVO Kids: <https://tvokids.com/> - Innovative online game-based resources that build problem-solving, critical thinking and math skills for students K-6 (Ontario Curriculum based).

eMath+: www.mynelson.com Offers curriculum support for **Grades 3-6**, EQAO style questions, videos, vocabulary, links to games and activities as well as extra practice questions. Access to textbook. Students were registered at school, see sticker in front of agenda.

Talking Math with Your Kids: <https://talkingmathwithkids.com/>

This website is dedicated to helping parents support their children's mathematical development. We know we need to read with our children every day, but what should we do for math? **TALK ABOUT IT!**

Bedtime Math: <http://bedtimemath.org/>

Bedtime Math is striving to help families introduce math as a fun part of their daily routine, as common and beloved as the bedtime story.
