Pasta Dinner Review

-Promote Sweet Paradise

-Start half and hour earlier next year and communicate "dinner time" for 5:30pm.

-No 50/50 draw next year

-If food could arrive early (4pm). Take out could have been bagged and box and organized ahead of time. Next year specific council members to be assigned to the take-out.

-The grade 8's were here at a good time but council could have come earlier. Ideal time would be for adults to be here for 4pm.

-Would like to bring in ice cream treats for the grade 8's to thank them for helping with the pasta dinner.

-Preference would be to know what time people will be here and then assigned jobs accordingly and people to know their job ahead of time.

-Organizing the tickets online for the raffle was a lot to organize. For next year someone should be in charge. All the communication was coming from the school so it would be nice for council to take more of this communication on.

-Samples went well but too many of the cookie samples.

-Plan ahead for the order forms so they are ready to go for the Pasta Dinner

-We forgot to let the daycare know about the Pasta Dinner. Next year invite the daycare.

-Have bigger plates so that we can put the salad on the plates. It was difficult scooping the salad. Consider doing Caesar salad next year. Caesar salad would eliminate the need to do cups of salad dressing.

-Consider purchasing parmesan cheese shakers to avoid using the little cups.

-Consider purchasing a large amount of plates etc. at the beginning of the year to be used throughout.

Staff Appreciation: Luba, Mary and Janine are in charge of organizing staff appreciation meeting. Date: April 29

Get Your Grill On Fundraiser: Need people here on May 9, 2019 to receive orders from McMillians and the hope is for all the orders to be here. Need volunteer to be at the school to organize and hand out orders. Look at running shifts, need people from 11am-2pm and then from 2:30pm onward. Nancy will send out an email to council. Nancy, Amanda, Rob and Heather have volunteered. Mary, Laurie, Phil and Angela will be here in the afternoon.

Discuss end of year get together options. Potential dates: May 23rd for the first date and May 9th as a second option.

April 30th for next council meeting.
